Your home away from home

Imagine a breathtaking destination on a paradisiacal island. A small, iconic, and authentic Villa Hotel, where the art of hospitality, warmth, and care has been ingrained in our DNA for over 20 years. A true embrace for the soul, with every detail designed to be in perfect harmony with you.

At the heart of the hotel, the renowned Acqua Restaurant offers a unique experience, blending haute cuisine and comfort food with the special charm of Fernando de Noronha.

The Dolphin's structure is a true oasis of leisure and well-being. Featuring a pool, spa, sauna, and thoughtfully designed communal spaces, we offer moments of unparalleled relaxation and enjoyment. Additionally, a beauty center and gym are scheduled for completion in the second half of 2025.

Accommodation Categories

Discover the comfort, style, and exclusivity of our Villa Hotel accommodations. Each space is thoughtfully designed to meet your needs, with attention to detail and a harmonious connection to Noronha's paradisiacal surroundings.

With 6 Villas and 31 accommodations:

- Enjoy a variety of room configurations, from doubles to triples and quads;
- Celebrate special moments with unique décor;
- Stay with your entire family in our new suite with an integrated bedroom, currently in soft opening, promising to redefine the hospitality experience in Noronha.

STRESS-FREE STARTS HERE

Fernando de Noronha

World-renowned for its almost untouched natural beauty, Fernando de Noronha, located in the Northeast region of Brazil, is a destination that combines stunning landscapes, sustainability, and welcoming infrastructure.

- The average temperature ranges between 26°C and 28°C, with summer all year round.
- Access is made easy by regular flights from Recife, offering a seamless connection to this tropical paradise.
- Recognized as a Green Destination due to its commitment to environmental preservation.
- One of the best diving spots in the world, featuring crystal-clear waters and vibrant marine life.
- Here lies Praia do Sancho, voted seven times by TripAdvisor as the most beautiful beach in the world.
